### Description

Our meticulous attention to detail results in a quality reproduction Stoner/Univendor Candy Machine Coin Return Lever from 1950's & 60's.

**Fits most Stoner/Univendor Candy Machines manufactured after to 1957. Finished in Yellow Zinc Plating and is almost identical to the Original Part!**

**This mounts to the vending stack behind the Coin Mechanism; at this time, we do not have the springs available, coming soon...**
