Description

Our meticulous attention to detail results in a quality reproduction National Candy Machine Delivery Tray.

Fabricated from heavy gauge steel like the Original; even has the correct "Rolled-Edge"!

Delivered "unfinished in raw steel" allowing for your restoration needs. Originally, the delivery tray was chrome plated, but our reproduction tray can also be powder-coated or painted!

Available for both the 6 or 9 Selection Models so be sure to order the correct size!

Approx sizes: National 6 Selection Tray - 14 3/4" wide; National 9 Selection Tray - 22" wide.

We do not have or reproduce End Caps for the Delivery Tray. Contact Us for availability of a Chrome-Plated Delivery Tray. With our Chrome-Plated Delivery Tray, attach your End Caps and Install!
